Section 2) Information about the project

Your application will be scored on your answers in this section.

Applications will be scored against each of the following categories:

- Project outcomes
- Value for Money
- Sustainability / legacy of projects
- Ability to deliver

You can find more information in the guidance. [Official-Defra-guidance-for-Applicants-210729.pdf \(southdevonaonb.org.uk\)](https://www.southdevonaonb.org.uk/Official-Defra-guidance-for-Applicants-210729.pdf)

Project details	
Project name	
Objective of project	
There are several outcomes that this programme is aiming to deliver on, across four key themes; Climate, Nature, People and Place. You can find out more about the themes and outcomes in the guidance. Your project must deliver against at least one of these outcomes. For each theme, tick any outcomes your project will deliver against.	

<p>Theme: Climate</p>	<ul style="list-style-type: none"> <input type="checkbox"/> More carbon is stored and/or sequestered <input type="checkbox"/> Flood risk has been reduced <input type="checkbox"/> Better understanding among farmers, land managers and the public as to what different habitats and land uses can deliver for carbon storage and reduced carbon emissions <input type="checkbox"/> The landscape is more resilient to climate change
<p>Theme: Nature</p>	<ul style="list-style-type: none"> <input type="checkbox"/> There is a greater area of wildlife rich habitat <input type="checkbox"/> There is greater connectivity between habitats <input type="checkbox"/> Existing habitat is better managed <input type="checkbox"/> There is an increase in biodiversity
<p>Theme: People</p>	<ul style="list-style-type: none"> <input type="checkbox"/> There are more opportunities for people to explore, enjoy and understand the landscape <input type="checkbox"/> There are increased opportunities for more diverse audiences to explore, enjoy and understand the landscape <input type="checkbox"/> There is greater public engagement in land management, for example through volunteering
<p>Theme: Place</p>	<ul style="list-style-type: none"> <input type="checkbox"/> The quality and character of the landscape is reinforced or enhanced <input type="checkbox"/> Historic structures and features are conserved, enhanced or interpreted more effectively <input type="checkbox"/> There is an increase in the resilience of nature friendly sustainable farm businesses, which in turn contributes to a more thriving local economy

Describe your project.

You should aim to say something about each of the following things:

- An outline your project
- What your project will deliver
- How your project will achieve the outcomes you have selected above
- What the results of your project will be
- What the need for your project is
- The opportunity your project will present

(max 500 words)

How will your project support the local priorities and management plan of South Devon AONB? Your project must support the priorities of the Protected Landscape you are delivering in.

You should read the [Management Plan - AONB \(southdevonaonb.org.uk\)](https://southdevonaonb.org.uk) before answering this question.

(max 250 words)

Who will be involved in delivering the project and what will their roles be?

If your project needs to be promoted, how will you do this?

For example, if you are converting a barn for educational visits, how will you promote the barn to get visitors?

(max 200 words)

What will happen to the project once the funding ends?

You should aim to say something about how you will:

- Make sure the project is sustainable
- Make sure that the skills and knowledge developed whilst delivering your project are embedded longer-term

(max 200 words)
