

Want to Engage Schools and Members of the Public on the Farm?

Sign up for our Q&A evening, to hear about our opportunity for free LEAF education training.

**Wednesday the 20th September, 7pm
Halwell & Moreleigh Village Hall, Totnes, TQ9 7JH**

Interested but not sure where to start?

Then join our discussion event to hear about the opportunity for your farm.

If you are farming in or adjoining the South Devon Area of Outstanding Natural Beauty (AONB highlighted in green on map) then you are eligible for **FREE** training, consultancy, resources and support from your local LEAF Regional Education Consultant, Lisa Dunne.

Support includes:

- **Free CEVAS training and accreditation.** CEVAS is the Countryside Educational Visits Accreditation Scheme. This training gives farmers the tools, knowledge and practical guidance to deliver safe impactful visits and is widely recognised by education providers.
- **Free one to one consultancy** on your farm to identify the opportunities for educational visits.
- **Free support** to find a school, set up and deliver your first educational visit.
- **ED1 Payment of £318 for your first educational visit, paid for via FiPL** (up to 25 further ED1 payments can be pursued separately via mid-tier)
- **Free Educational Resources Pack.**

Attend our information evening to learn more, and gain insight from our discussion panel of advocates including:

- **Martin Howlett – Deer Park Farm**
- **Will and Tanya Luke – Porsham Farm**

Come along to hear how other farmers are engaging with schools, how the visits developed, and the obstacles they've faced.

If you are interested in this great offer, then please attend our information event. Start time 7pm, free pasty and refreshments provided. To book a place, please contact FiPL@southdevonaonb.org.uk or 01803 229343.
